### Lesson 10

1 Use the words from the box to fill in the gaps.

camp, first-aid, canoeing, sing, warm, poisonous, tents, fire, sunny

Dear Margaret,

I'm in the summer camp<sup>(1)</sup>. I'm having a great time here. We live in tents<sup>(2)</sup> in the forest. The weather is lovely. It's warm<sup>(3)</sup> and sunny<sup>(4)</sup>. We go swimming and canoeing<sup>(5)</sup> and learn to make a camp fire<sup>(6)</sup>. We also have a first-aid<sup>(7)</sup> course and learn to help people. Our instructors teach us about the plants that you can eat in the forest and about poisonous<sup>(8)</sup> mushrooms. In the evenings we sing<sup>(9)</sup> songs and tell different stories by the fire. I have got a lot of friends here.

Where are you? What are you doing? What is the weather like? Write to me as soon as you can. Best wishes,

Diana
