The Department of Foreign Languages of the educational establishment "Suzirya"

"My favourite doll" for International Doll Day

March 21 is International Doll Day. A doll is one of the oldest toys of mankind, it is rightly called a super toy, because it has not lost its relevance over thousands of years. A photo flashmob took place in our institution, in which students of grades 1-5 took an active part. The girls took pictures with their favourite

took pictures with their favourite dolls.

Master class on making a doll-motanka.

The Red Cross Society of Ukraine organized an interesting master class on making dolls for the teachers of our school. It was nice to plunge into childhood!

Thank you to the charming volunteers of the Zaporizhzhia regional organization of the Red Cross Society of Ukraine for the wonderful master class on March 24, 2023, as well as to Tetyana Peresykinia, who organizes and inspires to create!

Academic starfall

Potaychuk of the 11th supervisor - Harashchenko.

Scientific Department Section "Applied Mathematics".

Forever alive!

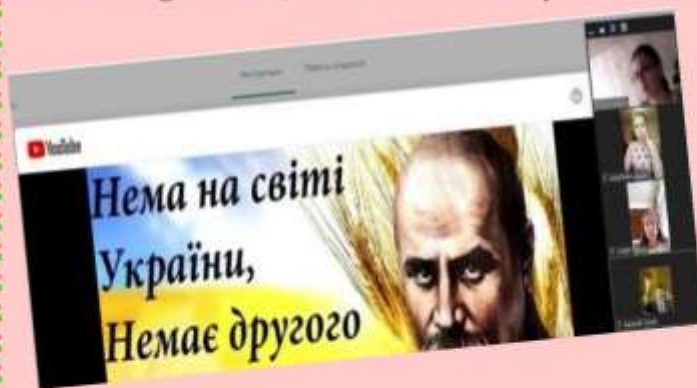

On March 9, we celebrate Taras Shevchenko's birthday.

Taras Shevchenko's poetry remains modern and relevant today. His life is a struggle for the will of Ukrainians, and his work is an inexhaustible treasury of wisdom, a source of spirit and the true conscience of the Ukrainian nation.

Pupils of grades 5-11 of "Constellation" took part in literary readings of the works of Veliky Kobzar.

Class teachers held online meetings with their students to remember the outstanding creator, honor his memory and discuss interesting facts of his life.
