THE DEPARTMENT OF FOREIGN
LANGUAGES OF "SUZIRYA"

ALL-UKRAINIAN INTERNET OLYMPIAD IN ENGLISH

On January 10, 2024, 39 students of the 8-11th forms of "Suzirya" took part in the All-Ukrainian Internet Olympiad in English from the Department of English Language and Literature of the Educational and Scientific Institute of Linguistics of the Ostroh Academy National University. 15 learners got more than 80 points. You can see them on the photo!

Our teachers-mentors

Our winter holidays

Winter is not a reason to be sad, it is a time of active and useful rest, which gives a good mood and driving emotions.

That is why, my pupils of the 7th form of Orikhiv School No.5 went to the skating rink "Metelitsa".

We had a fantastic time: we laughed a lot, fell down

And we were happy that we were finally together!

Class teacher: Mormul Yana Volodymurivna

The Unity Day of Ukraine

The Unity Day of Ukraine is a holiday that has a special historical significance. This is the basis on which the modern country rests, its integrity and independence. Ukraine is a land with a centuries-old history, picturesque nature, a magical song, hardworking, wise and talented people. The future of Ukraine is in the hands of the youth. It depends on us what our state will be like! And the state, like the family should be friendly, strong, healthy and happy! Art action - "United Ukraine" (painting of patriotic pictures on the face). Teachers and pupils of forms 2-9 of Orikhiv School №5 took part in this action. It was a kind of chain of Unity, which is traditional for the celebration of the Unity Day of Ukraine.

"The library is the pharmacy of the soul"

"The library is the pharmacy of the soul"
Have you ever been to the land of light and good, fairy-tale dreams, fulfilled wishes, where beloved heroes live on the pages of books: kind, sincere, restless, pranksters who overcome thousands of miles in space and time to rescue friends from trouble, to create unusual space aircraft and make people happy?

If not, we invite you to join us to the pharmacy of the soul - the library in the city of Zaporizhia and its wonderful and friendly employees. Pupils of the 6th form of School №5 found a path to their favorite book. And after a short book tour, we were awaited by exciting games and entertainment, a "Winter Wonders" master-class prepared by representatives of the "Smile" foundation. A friendly, positive and relaxed atmosphere reigned, we tried to build paper houses as best as possible, clear snowballs from the paths, attach a silver moon in the sky, stars ... and just enjoy!!!
