Our graduates are our pride!

The fact that our graduates are our pride is quite pleasing. Today, in the language of facts, we celebrate the achievements of "Suzirya" graduate, 11-B grade student Ira Bosenko. She not only

studied English, but also took an active part in all contests and competitions somehow related to learning a foreign language. Iryna improved her English every day, communicating with native speakers through the ENGIN platform, participating in the All-Ukrainian Essay Competition in English, held at the Ostroh Academy National University, and in the translation competition held by the National Pedagogical University named after M.P. Drahomanova.

She shone as a star in poetic readings of V. Shakespeare's sonnets, repeatedly initiated challenges regarding readings of English poetry.

We wish Iryna to choose a profession that would realize the exceptional abilities of the student in learning foreign languages.
