Country of mutually beautiful people

The "Suzirya" educational front is working... Members of the methodical association of teachers of foreign languages continue their active activities and took part in the "Country of mutually beautiful people" program.

English teachers Koparchuk O.O. and Konovalenko S.S. participated in online events for teachers, familiarized themselves with the program and project requirements.

This program started on November 7, 2022, where children, for 3 weeks, had the opportunity to communicate with an English-speaking volunteer (40 minutes a day), meet and share

ideas with teenagers from different parts of our country, make new acquaintances, and gain mentoring experience. Upon completion of the program, the participants received a pleasant bonus - a certificate of participation in the project "Country of mutual people" from GoGlobal.

We strive for new opportunities!

FLEX (Future Leaders Exchange) is a program for secondary school students from ten countries of the Commonwealth of Independent States (CIS) - Eurasia, which provides scholarships to students that enable them to travel to the United States, study at an American school for one academic year, and live with an

American family. The most important criterion for the selection of contestants is the presence of leadership qualities, the ability to easily communicate in English and solve problem situations.

The American program "Leader" teaches our children to be punctual, organized, confident in their abilities and not to lose hope.

13 students of our educational institution successfully passed two preliminary exams:

8-A - Kosheva S., 8-B - Lisachenko S., Donska S., Savinov M. (teacher-mentor Savetchenko A. Yu.); 9-A - Galutva A., Romanov R., Lisachenko E., Tkachenko T., 10-A - Zakharchenko S., Trofymenko O., Deinega M., Panova V., Bakholdina A. (teacher-mentor
